(Special to The Times-Dispatch.) LEXINGTON, VA., June 24.—A successful session of the Virginia Military Institute was brought to a close to-day with the graduating exercises held in the Stone Wall Memorial Hall, when forty-one young men were given their diplomas as full graduates of the "West Point of the South." The exercises began at 11 o'clock, and a large crowd of interested spectators witnessed the proceedings. The valedictory address was made by Cadet A. D. DeVault, of Tennessee. The address of the occasion was made by Major-General J. Franklin Bell, chief of staff, U. S. A.

The Jackson-Hopkins medals, awarded to the two highest graduates, were presented by Governor Claude A. Swanson, the first to William T. Biedler, of Baltimore, Md., and the second to Martin G. DeShazo, of Martinsville, Va.

The degree of bachelor of science was conferred upon J. G. Meem, distinguished graduate of the class of 1885, V. M. I., and upon Greenlee D. **Bad Symptoms.**—The woman who has periodical headaches, backache, sees imaginary dark spots or specks floating or dancing before her eyes, has gnawing distress or heavy full feeling in the head, faint spells, dragging-down feeling in lower abdominal pelvic region, easily started or excited, irregular or painful periods, with or without pelvic catarrh, is suffering from weakness and derangements that should have early attention. Ask for above symptoms and likely to be present in any case at any time.

Neglected or badly treated and such cases often run into maladies which develop into a woman's knife if they do not result fatally.

No medicine extant has such a long and unbroken record of cures in such cases as Dr. Pierce's Favorite Prescription. No medicine has such a long professional endorsement of each of its ingredients, none more than this.

Known to medical science for the cure of woman's peculiar ailments enter into its composition. No alcohol, harmful, or habit-forming drugs are found in the list of its ingredients printed on each bottle-wrapper and attested under oath.

In any condition of the female system, Dr. Pierce's Favorite Prescription can do only good—never harm. Its whole effect is to strengthen, invigorate and regulate the whole female system and especially the pelvic organs. When these are deranged in function or affected by disease, the stomach and other organs of digestion become sympathetically deranged, the nerves are weakened, and a long list of bad, unpleasant symptoms follow. No such must not be expected of this "Favorite Prescription." It will not perform miracles; will not cure tumors—no medicine will. It will often prevent them, if taken in time, and thus the operation of the surgeon's knife may be avoided.

Women suffering from diseases of long standing are invited to consult Dr. Pierce by letter, free. All correspondence is held as strictly private and sacredly confidential. Address Dr. R. V. Pierce, Buffalo, N. Y.

Dr. Pierce's Medical Adviser (200 pages) is sent free on receipt of 21 one-cent stamps for paper-covered, or 31 stamps for cloth-bound copy. Address as above.

THE ALCOHOL in beer is a trifle—only 3½ per cent. The effective ingredients are barley and hops—a food and a tonic. Pure beer is both good and good for you.

In Germany, Holland, Sweden, Denmark and Austria beer is the national beverage. Nearly all people, of all ages, drink it.

And all the world envies their sturdy strength.

Every doctor knows how beer benefits. If you need more strength or vitality he will prescribe it.

But be careful to choose a pure beer, else you get harm with the good. And select a beer well aged to avoid biliousness.

The way to be sure is to order Schlitz. We go to extremes in cleanliness. We even filter the air that cools it. We age it for months. We sterilize every bottle.

Schlitz has no after effects.

The Beer That Made Milwaukee Famous

Ask for the Brewery Bottling. Common beer is sometimes substituted for Schlitz. To avoid being imposed upon, see that the cork or crown is branded Schlitz.
